

# EAA CHAPTER 284

## *Grass Roots*

*Dedicated to the spirit of aviation past, devoted to the future.*

### August Meeting

The July meeting will be the prep for the 2004 Taildragger Fly-In. Hope to see you at Pete and Jeanne Reed's Hickory Grove Airport **Sunday August 8 at 2 pm.**

### HELLPPPPP !!!

We will need help and lots of it to pull this year's TDFI off. As you know, the past couple of years have seen our ranks thin out and hopefully that will turn around, but to make the fly-in a success we will have to count on ALL of you folks for help.

The August meeting will establish our breakfast crew and flight line crew. Since we make all of our money on this single breakfast, we'll need all of our members to pitch in. We usually come out Saturday night and enjoy the Stewart Airshow, while allowing us the opportunity to set up for the Sunday morning breakfast. Bob has got everything pretty organized, but we will need a generator to power our equipment. Thankfully, the hangar we have allows us to do this fairly quickly and painlessly. Please bring jugs of water (tap water). Three to four people usually work well on the flightline and Steve will set that up. Please come to the meeting held at Pete and Jeanne Reed's place. Hickory Grove Airport 2 pm Sunday August 8. Directions are included.

### Hangar Shift

Paul Grice has swapped hangars with Jack Daniels (no relation to the whiskey maker) and his beautiful yellow Taylorcraft. Paul wanted to get a rear-facing hangar and Charlie was in need of a hangar so no problem. We would like to take the time to thank Pappy for his work in helping us out by renting until we could get someone permanent. It saved us a lot of money. Jack understands our needs and is willing to agree to the same terms that we had with Paul.

### Donner Field Bash

Don't forget Saturday August 21 is the Donner Field Bash. All are welcome. Bring the kids, friends, wives, ex's, whatever. Festivities start at 2 pm and continue on until the rooster crows. This year we will have a flour bomb contest. Please refer to the enclosed flyer for details. Hope to see you there.

**Volume XII Number VIII**

**August 2004**

EAA 284 Meets the 2nd Sunday of each month at Red Stewart Field at 2:00 PM

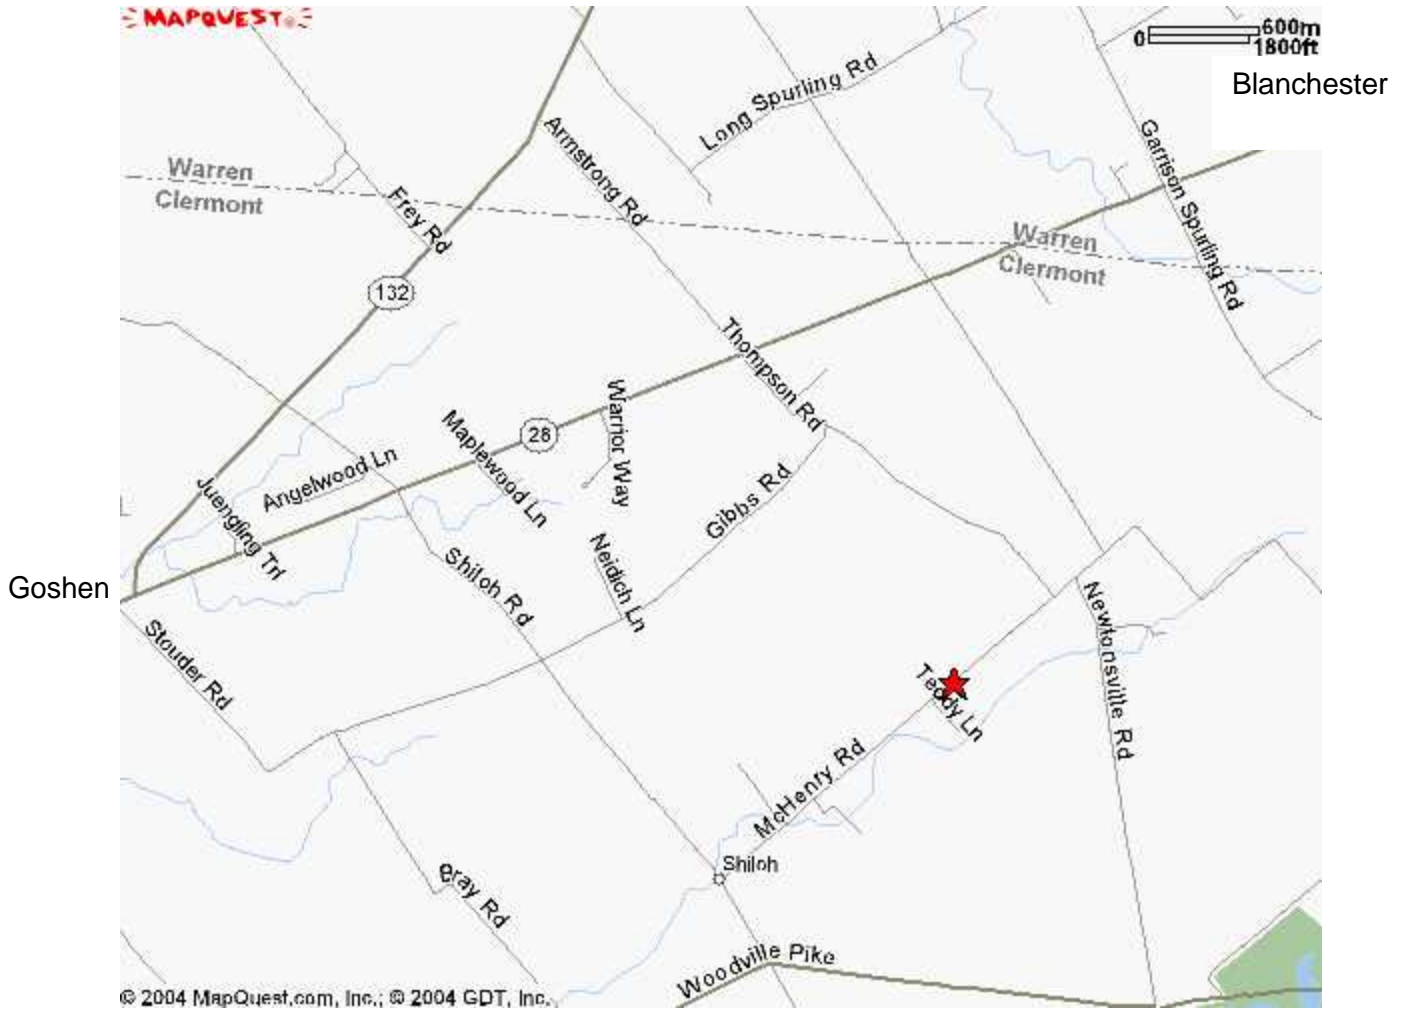

Visit us on the Web at – <http://www.eaa284.org>

**DIRECTIONS TO HICKORY GROVE AIRPORT FOR THE AUGUST EAA 284 MEETING.**

Hosted by Pete and Jeanne Reed of Reed's Restorations and Antique Acres Airpark.

2652 McHenry Road	Goshen	OH	45122

Phone: (513) 625-4707

# Donner Field 2004 Year of the Monkey Bash

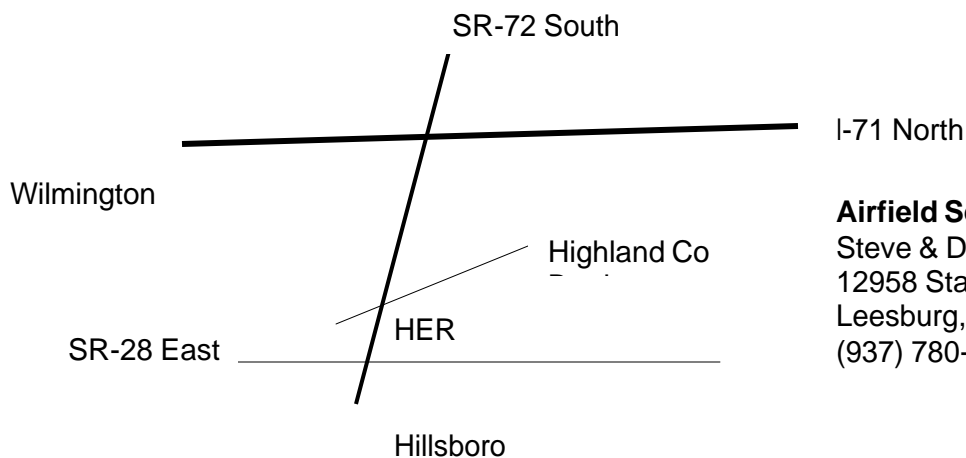

**Saturday August 21 2 til  
whenever**

Bring a dish and your own poison. Guns and Liquor don't mix so make sure one is in the trunk and the other up front (your choice).

Routine Pilot Brief: DFO is an east/west 2,100 ft sod strip with some obstacles. It does not favor overloaded Cessna's and only Piper's that are grossly underweight. All Taildraggers and Yaks will do just fine. Contact field in sight on 121.5 (just kiddin').

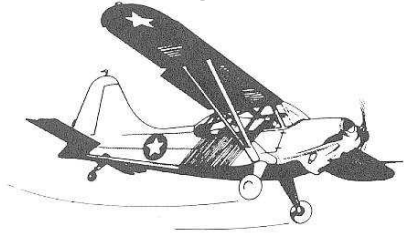

This year's main event is the **Chinese Flour Bomb Drop** and special Bombardier trophies for those closest to bullseye.

Tater Guns are welcome and the regular gunnery range open.

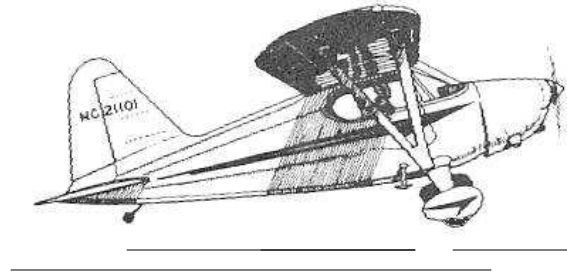

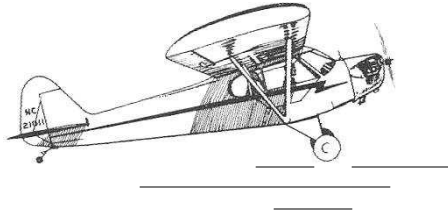

**Airfield Security Czars:**  
Steve & Donna Hanshew  
12958 State Route 72  
Leesburg, Ohio
